### Canadian Broadcasting Corporation Says I "Could Face Arrest In Canada"

Good Thing I Don't Live There

Commentary -- I just did an interview with the Canadian Broadcasting Company over the Dossier Noir site. They asked me if I realized I could be "subjecting Richard Warman to violence" and that calling for the overthrow of the Canadian government "is seriously illegal in this country."

I told them that I hope someone does kill Warman, because he has to be stopped somehow, and that:

"Well, then, it's good that I don't live in your country. I live in the United States. I've had the Canadian government come after me half a dozen times for saying the same thing, they've failed each time, and I invite them to try again -- in the words of George W Bush, 'Bring It On'"

Eat shit Canada. Time for you to get taken down.

# Canadian Jews Say Showing Race Of Criminals Is Criminal

**Jew Warman Demands That Photos Of Criminals Not Be Published To Hide Fact Most Are Black**

Montreal, Canada -- A website that publishes the photographs of criminals is "racist" and must be shut down under Canada's anti-hate laws, because a person reading it will notice that most criminals in Canada are black, Jewish hatermonger Richard Warman told the all-black Center for Research Action on Race Relations today.

Fo Niemi, a nigger who sits on the Center's board, joined Warman in denouncing the website, Dossier Noir, because it recently published the photographs, names and addresses of a group of niggers who gang raped a white girl in Montreal.

The Jew Warman, the nigger Niemi and the Canadian power structure think that niggers who commit gang rapes should be "understood" for their "diversity" and given very light prison sentences before being released to commit additional crimes.

Jews use the inherent criminality of blacks to break down white societies and increase the level of chaos, which creates chaos and allows Jews to seize power.

American blacks have an average 85 IQ, which impairs their ability to make moral decisions, and which inclines them towards crime. African blacks -- the kind immigrating to Canada -- have 60 IQs, and are so stupid that, morally, they rank on the same level as dogs and wild animals, not human beings.

The Dossier Noir website, which was being hosted by Google's Blogspot, was taken off the internet yesterday, but was taken over this morning by this website.

## Excerpts from <http://dossiernoir.blogspot.com/>

### Slaughter Of Zion

The first time Canada threatened to arrest me, it was for sending this via email to Bernie Farber of the Canadian Jewish Congress. It is, of course, based on the Electric Hellfire Club tune "Slaughter of Elysium":

#### SLAUGHTER OF ZION

The human flock is bleating...  
Their mindless, pointless feeding  
Makes them fat and lazy...  
Their minds are dull and hazy  
Sick and pathetic...weak and diarrhetic  
A waste of time and space...  
When from some darker place  
THE JEWS DESCEND!

A plague of locusts...like lightning from the sky  
The new Pharisees with a world to crucify  
But our inquisition--  
We will break Jews on the wheel  
Panzer Division--GRIND THEIR BODIES UNDER STEEL!

They won't escape...torture and rape  
Death and destruction...IT'S JUDGMENT DAY!

Their worthless prayers...will forever be silenced  
By mass-destruction elevated to a science  
They can offer no resistance...show no defiance  
They will know the meaning...of Ultraviolence!  
ULTRAVIOLENCE!

We will build an empire unlike any other  
Where the masters of our race  
Lead Jewish sheep to slaughter  
It's raining blood from Heaven  
Their judgment day has come  
Their world will be destroyed! Slaughter of Zion!!!

All hail the new centurions marching in the street  
SS storm contingent--Killer elite  
Triumph of our wills...we will grind Jews under heel  
Show them for the pigs they are...  
With their dying breath  
We will make them SQUEAL!

Like Jewish swine lined up for slaughter  
Their blood will flow like water...  
Like a river to wash the world away  
IT'S JUDGMENT DAY!  
They won't escape...torture and rape  
Death and destruction...it's judgment day!

Deny the Jewish God...become your own redeemer  
The choice is yours: Life like a slave or die by the SWORD!  
LET THE GAMES BEGIN!

Their judgment days have come...  
SLAUGHTER OF ZION  
Their government over-turned  
Synagogues and yeshivas burned  
A new religion...based on Ultraviolence  
We will build a new tradition:

THROW THE FUCKING JEWS TO THE LIONS!

It's raining blood from heaven...

Your judgment day has come

Your world will be destroyed...

SLAUGHTER OF ZION!

The endless slaughter...of Jewish fodder

Slaughter of Zion...Slaughter of Zion

SLAUGHTER OF ZION!

## **Fuck Canada's Jews**

This blog has been owned by [Overthrow.com](#).

Canadians! It is time to take up arms against your government and eliminate your Jews!

All of the newspapers you are reading -- all of the media reporting on this site -- are owned by the Jews David and Leonard Asper -- sons of Izzy Asper -- the Jewish hatemonger and Zionist!

The Jews are destroying you! They are destroying your civilization! Canada and its Jewish terror must be overthrown!
