### [BNP Party Broadcast pulled from Channel 4](#)

I dont know if you know this, but the BNP party political broadcast was pulled from Channel 4 here in the UK incase it inspires 'Racial Hatred'.

Now i know opinions are divided on the BNP, but this still illustrates the fact that any party trying to speak against the 'norm' will be promptly censored.

If I speak at one constant volume, at one constant pitch, at one constant rhythm right into your ear... you still won't hear

Speaking of divided on the BNP, has anyone noticed how fat

Griffin is getting? Tell me he hasn't been eating the donations?

I think the BNP is pretty good for starters, but one has to hold  
their feet to the fire. Hell, maybe they're just one step away from  
being co-opted! Anyhoo, it'z sad to say but most lemmings in the  
U.S.A. think the GOP is looking out for them

Well actually no. You are wrong on one point.

That wasn't a BNP party political broadcast. It was in fact a  
documentary commissioned by channel 4 to be shown on channel  
4. It had absolutely nothing to do with the BNP.

The BNP merely endorsed it. They had nothing to do with its  
production.

I'll stand corrected then sir.

All i recall was catching the 6 oclock news midway and something about a BNP broadcast being pulled from the air. I then searched on the internet and found more news claiming it to be a BNP political broadcast. Obviously I put 2 and 2 together and came up with 5.

Never mind.

BNP or not, it's the same old story: race war on whitey isn't hate--oh, no! "What race war? Only ebil whites be racists!"

However, factual information, in any voice above a whisper, *about* that race war, IS "hate."

"Stamp out *racism* and *antisemitism*--make telling the truth a criminal act!"

Produce good men -- the rest follows.
