Senior Members at only 100 posts??

Does anyone else think that people becoming Senior Members at the 100 post mark is much too low??

Perhaps something like 500 would be more reasonable?? It's just an idea...with the 100 number being so low it's easy for even TROLLS to become Senior members within a very short time span...

Are you implying that you are a TROLL and found it easy to become a Senior Member! 🤡 . May I applaud your frankness and honesty sir, and suggest that find a quiet corner and 'do the decent thing'.
 BANG!

The honorary titles of 'Grand Poobah' and 'Big kahuna' would indeed help massage the oriental ego.

As a reward to respondents of quality: temporary elevation to honorary membership of the 'Supreme Order of Wonderfulness' or some such accolade may encourage *quality posts* as opposed to inane 'spam type' posts in *big letters/ color font* that some *unlebenswurdig* persons use.

I enjoy the color font. It's been provided so why not use it???

How about VNNF correspondents? I want to be the British Correspondent or the WNP Correspondent. I'm now looking to spit my dummy if I can't be a correspondent! 😞

With the dried blood stiff on my temples I climbed the hill, cursing the satanic way of men, yet knowing myself vile, for they had not known what they were doing, but I betrayed an innocent; and the tears - weak, whiskey tears - would not wash from my brow the blood of a little brother.

I think it's a good idea, just so long as I'm not referred to as big popa smurf when my post count reaches 1,000.

 **4500 + posts?!**

If anyone deserves super senior member status, it's Antiochus Epiphanes. Averaging over 17 posts a day, he truly is **Le Grand Fromage**.

I remember a while ago me and you were in a tie for who had the most posts. Then I started coming less and less and you jumped me by 2,000 posts.

Thexder is kind of cool in having the Canadian government chasing after him...
