*Now, there are other reason why this guy could never possibly be the leader of a viable organization or be taken seriously. However, I'll just focus on the welfare issue. **why would anyone want to tear down other WNs?**

I've been around long enough to know that when people start talking sh-t about other people in the movement (and especially in public) it's usually because a) they're inadequate and want to bring everyone down to their level, or b) they might be just naive and not realize the harm this does to ALL of us.

Maybe the NSM isn't for you. Maybe the NA isn't for you. Maybe the Klan isn't for you. Maybe I'm not for you, but that's no reason to start draggin people through the mud to make yourself feel better about you.

Commander Schoep is doing the best he can for the NSM and if we can help him we should and if not, we should put all of our energy into our own groups and stop tearing down other people.

Lucie,

I'm not dragging people through the mud to make myself feel better. The NSM and other various freak outfits are dragging the intelligent racial activists through the mud. Like I said before, when intelligent and honest people try to talk about racial matters in school or at the workplace they are associated with the dipshits of the NSM and other silly organizations. The common folk then think that all racials are associated with trashy, beer bellied freaks wearing 1930s costumes screaming racial obscenities at the top of their lungs while giving Roman salutes.

Go to the NSM's website, <http://www.nsm88.com>, it is a total joke. One would think a fifth-grader made it. As Kepler pointed out, there are numerous spelling errors. The pictures of the various "White men" are funny. Check out my previous posts on this topic. Kudos to the NSM for putting on a presentable image for White racial activists.

Look at Billy Roper, Alex Linder, Ben Vinyard, et cetera. All of these men dressed like healthy, intelligent White men at the Brown education protest.

Correct me if I'm wrong, but I've never seen a picture of Dr. William Pierce or Bob Matthews dressed up like an assclown. I think I once saw a picture of David Lane wearing a Klan outfit, but he obviously grew out of that for something more important. The

same idea applies to David Duke.

And here is my two cents. Uniform Trekkies make the rest of us serious WN's look like assclowns. Because We are associated with You by the Judenpresse and by people at large. As has been stated before: Hitler would change tactics if something didn't work. Different times call for different methods. This is all very easy.

How about if I just correct you and the potty mouth that followed you that real gentlemen (esp WNs trying to make a good first impression on other people) don't use gratuitous obscenities? Don't laugh, I'm serious - if we talk like neandrathals, people will think we are.

ANd that brings me to your second point about how we dress. You don't like uniforms? Don't wear one. A time and a place for everything and none of the NS people that I know go to school, job, church, or most other places wearing NS dress uniforms just like most people in the military don't usually go to town dressed in camo. If uniforms give poeple a sense of common bond for meetings and rallies then that's great.

If WNs spent half the time building each other up that we do tearing each other down we'd be dangerous.

 Ronny,

can't put it any clearer, we do not allow Homosexuals!?!?!? What part of that do you not understand?

Just because we do not go with your Babylonian sexual deviations does not mean you need to go on-line and post anti-NSM posts. Your intentions are very clear.

Let it go, we are not interested in your Queer eye for the straight guy rhetoric.

Euro-kike, proof is relevant since you are a nameless poster, your words mean nothing, you are a nameless agitator (maybe even a jew), like the homo Ronny your words are useless tripe.

I am a public person, and I would like to meet you at an upcoming event. See you then, otherwise post as yourself, not as a nameless jew., or homo.

No Offense Ronny but your secret is out. You hate women, and you are a fag.

Good job "Commander." You followed my precise orders. In my previous posts, I told you to call me a fag or perhaps some other name and that is exactly what you did. For your intelligent child-like actions, maybe you should get another ribbon or promotion to add to your oversized uniform that accommodates your fat gut?

1. Did you serve 19+ years in the US Navy as George Lincoln Rockwell did as a commissioned officer and pilot?
2. Are you capable of running a mile with your fat gut?

Please answer my questions this time Jeff and not go into a tangent about homosexuality.

No decent Movement would let this silly NSM come near a meeting of them. That's right, not the jews or cops would keep them away, but the Movement.

As long people in the states do not understand this, they will get nowhere.

well I'm not a national socialist myself and I do honestly believe the uniforms tend to push people away, but Ron it seems pretty clear you have a personal beef with the NSM. Let them do thier own thing, takeing cheap shots at fellow white nationalists is not helping at all.

White Revolution lets the NSM "come near them", so what does that say about Billy Roper and his tactics? I would like to hear your answer to that, EK.

I do have a personal beef with the NSM and the other freaks in the "movement." These idiotic weaklings are holding the intelligent racilists back. When I wear slacks and a nice buttoned shirt and hand out racist music samplers and business cards, people ask me silly questions like, "why aren't you wearing your Nazi uniform?" and "can you give me a sieg heil?" Do you guys see what I'm talking about now?

I don't blame the WWII-era National Socialists nor the 1960s Rockwell-era as those were different times. Groups like the NSM are a complete embarrassment to the White Race. These people can't wear their uniforms properly, get in physical shape, and learn to spell correctly, how can you expect them to lead a revolution?

It means that he doesn't have a clue. And his WR is going to stay very marginal.

I will keep on passing out materials. In the meantime, the NSM will continue to embarrass the intelligent, mature racial activists.

I would like to refer the readers here to *The Fame of a Dead Man's Deeds*, by Robert S. Griffin. Read the bottom paragraph of page 114 and the top two paragraphs on page 115 to see what Dr. William Pierce had to say about uniforms and the type of "unstable" people that are attracted to this silliness.
