where can I download?

Anyone know where I can download DJ Adolf's entire album and Mein Kampf (in .pdf or other format). Mein Kampf is \$35 at the University bookstore and I am broker than broke right now.

Be careful with DJ-88 I ordered the "Total Package" disc from their website and after paying them \$22 plus shipping. I never received anything. Since then I have emailed there PR dept 3 times and no one has emailed me back. Which should sound funny, because they sure replied fast to me when I emailed them to place an order.
