Very true. There are too many cops and ARA. It has cost me a few jobs.

Oh goodness! Is "blackheart" the old "cryptonite"? Talk about an embarassment to our faith and folk! He is originally from Nova Scotia - his mom is a native (maliseet, I believe). My cousin manages a security firm that blackheart (AKA, "Tony") was once employed at, and was fired from. The guy is a lamebrain and was banned from SF Canada once before once photos came out showing that he wasn't white at all. And who the hell gets "cracker" tatoood over their bellybutton?

I have seen his picture. Darker complexion, possibly some spanish, italian, or even some medit. slavic bloodlines, but white and european non the less. I didn't know we were all nordicists here.

Maybe you people should direct your attention to the enemy rather than to infighting or this individual. Its not productive and

you are ostrosizing people out of an already greatly weakended movement. No wonder the ARA has us outnumbered.

If you dont like someone in the movement, shut up and keep it to yourself. If you feel someone doesn't fit into your idea of what a european is then move on or avoid this person. If you dont like the way one group is run, shut up about it and find one that fits you. If white nationalists spent half as much time combating the enemy as they do combating themselves then our race would not be in the situation its in. Grow up and be productive.

Theres a reason it's called "White" Nationalism and why the founders of NS excluded sexual deviants that are like a Cancer to our movement...
