Vancouver Zundel Protest?

If someone was to organize a free Zundel protest in vancouver how many of you would actually show up? Do not post "YES" if you wouldn't show because i'm sick of people saying they will show on these boards and never do.

Hmmmmmm.

Right now, I'm going to have to go with maybe. I don't want to commit to something that I am unable to follow through with, even if it something that I really want to do.

If I'm able to get a job and earn some decent cash in the near future, and my schooling schedule permits it, I will be there.

It would be good to see Vancouver becoming more active. My support is with you from afar as I have no means or ability for

transportation to such things.

Re: Vancouver Zundel Protest?

I would show up. Name the time and place!
Besides showing support for Zundel, it would be nice to meet
some our lower mainland Kin.
