Irwin Cotler (jewish) as Minister of Justice in Canada

Did you know our minster of justice is jewish ?

He has previously expressed a clear interest in the promotion of the interests of Israel and the Jewish people, who represent a very small fraction of our nation's population.

A recent announcement by your Federal government regarding a planned initiative to combat racism in response to recent anti-Semitic crimes is evidence of a misguided agenda. Such a plan will not only be a monumental waste of tax payer's money, but will also lead Canada down the path towards Stalinist-style oppression.

Let's look at the recent anti-Semitic crimes that have been used as an example for implementing this plan:

- ~spray paint on Jewish houses and cars in Vaughan (backwards swastikas) - no arrests yet
- ~spray paint in Toronto equating a star of David with a swastika - Iranian immigrant arrested
- ~Tomb stones overturned in a Jewish cemetery in Toronto - Jewish teenagers arrested and only charged with mischief
- ~Fire in a Jewish school in Montreal - note left on scene blaming Jews for the murder of Palestinian Hamas spiritual leader

These incidents hardly seem like the rebirth of Kristallnacht, as Jewish leaders would have us believe. Jews themselves

committed some of the vandalism and the rest was committed by Muslims, who are expressing the anger about events in the Middle East.

Spending much needed tax dollars on a scheme to further impose the will of Israel-firsters on Canadians is not what voters want.

With increasing immigration from third-world countries, old-world prejudices will continue to be expressed in Canada. If we really need to stop hate in Canada, then we need to look at ending immigration from third-world countries.

These information was taken from A Letter to Prime Minister Of Canada
by Jason Ouwendyk..

just chalk it up to "nazis" and play the guilt card.

Although I'm not a huge fan of having muslims around and have no love for them I do give them credit as one of the very groups in todays world that stands up against the jews and israel...

True...

Iraq was the biggets enemy of israel in the east..now when Americans took out Iraq, jews have more space...there is still some attacks on israel but mostly its jews on muslims..

In Canada the KGB is called CSIS. The tactics are hardly different.

"The point is, not how long you live, but how nobly you live."
-Seneca

"We are a people, this land is ours, we want to rule in our land."
-Summation of the Nationalist struggle.
