I'd be interested in meetings between Ottawwa and Montreal. ALso, what's going on with the Freedomsite? Were they on the same server that Stormfront was? ☹

Were they on the same server that Stormfront was? 😡

Yeah sorry I see its still there but the quote before me said the Freedom site is under attack that's why I thought it might be because they were using the same server that Stormfront was. I'm afraid I'm still not any wiser. 🙄
